

*There is **ONE** reason to go to Palm Springs this weekend*

The artists participating in the exhibition share a connection to diabetes either by having the disease themselves or knowing a friend or relative with diabetes.

The artwork in this show was created specifically for this event and in most cases expresses the artist's perspective to this debilitating disease

This show is organized by Zoey Stevens and Dereck Cruz as a way to increase awareness about the disease and raise money to fund research for a cure of Type 1 Diabetes

M-Modern Gallery, 2500 N. Palm Canyon Drive, Palm Springs
This Saturday, August 15th 7~9 pm
